Is Calumet Going to the Dogs?

It's been two days since I've seen the light. The bulbs are burnt out in the algebra room. I've seen the writing on the walls as written by our Calumet prophets—John, Susan, Chester and others. How does that mess your mind? Dogs running through the corridors; I'm late for lunch again;—When will I ever see the light? When will I ever learn?

Faculty And Curriculum

**A Sense of
Understanding**

Dr. James F. Redmond

Dr. James F. Redmond, nationally known educational administrator, is General Superintendent of the public schools for the city of Chicago. As superintendent of Chicago public schools, Dr. Redmond is in charge of over one-half million pupils, 24,500 teachers and approximately 9,000 civil service employees.

Dr. A. John Brinkman

We pay our respect to the late Dr. Brinkman.

In September of 1964 District 16 welcomed Dr. John Brinkman as its District Superintendent. Although new to his post Dr. Brinkman was not new to the area because he had formerly been principal of Calumet Evening School.

As superintendent, Dr. Brinkman's work covered the curriculum of four schools: Hirsh, Simeon, Vocational, Calumet, and Harlan, at which he maintained his district office; and twenty five elementary schools, including the Neil School for the physically handicapped.

Thank you for influencing our lives, Dr. Brinkman.

Calumet's Principal
CHARLES LaFORCE

Principal's Message

The challenges of the world our graduates are entering have never been greater or more laden with necessity for pushing out the frontiers of democracy in many areas.

One of our greatest resources in these critical times is our youth. They have the creativity, the vigor, and the ability to grapple with the tremendous problems we face and come up with solutions which place human values above all others. They have our faith and confidence and we fervently hope that a large measure of personal fulfillment and social worth will be theirs in the years to come.

Our warmest congratulations and best wishes for happiness and success to our June graduates. We are proud of them.

May 1, 1968

Charles L. LaForce, Principal

Mr. Lewis Huber
Assistant Principal

Assistant Principals Miss Sue Mechttersheimer and Mr. Lewis Huber are well-known to Calumet students and faculty. Into their offices troop people with problems—program difficulties, student teacher misunderstandings, and broken lockers. Miss Mech and Mr. Huber are usually able to help with these catastrophes, and persons leave the office with one less burden.

Miss Sue Mechttersheimer
Assistant Principal

Mrs. Sloan checks her books

The main office secretaries and clerks work to keep the school running smoothly and efficiently. Treasurer Mrs. Ruth Sloan handles all funds and Mrs. Helen Russell manages Mr. LaForce's secretarial duties. Mrs. Gertrude McDermott and Mrs. Ruth Walker distribute mail, mimeo all the bulletins, and send out transcripts for graduates.

A call to Room 112 involves meeting with one of six counselors. Mr. John Freestrom supervised seniors' college applications and scholarships, made job opportunities known, and wrote recommendations. Mrs. Mildred Harris and Mrs. Gloria Herick guided juniors in surviving the 11A tests, ACT, SAT, and NMSQT. Mr. Howard Johnson and Miss Jeanne Kealing worked with sophomores, helping them select courses, counseling them with study, attendance, and discipline problems. Mrs. Elizabeth Szarmach administered 9A tests to all freshmen and helped them become accustomed to high school life.

The job of counselor is a difficult one. The counselors deal with students' problems.

Mr. Johnson has good ADVICE

Braille and Deaf-Oral

Mrs. Virginia Joseph provided deaf oral students with special reading and speech lessons, while Mrs. Eleanor Zayner, and Mrs. Doris Akens aided braille students.

The Braille Department is the center of activities for the blind students who attend Calumet. There are two divisions of students who come here to further their education. One of the department's main interests is teaching the students independence.

MISS ELYNORE
WILSON
Chairman
Home Economics

Here at Calumet the home economics courses are given for the purpose of introducing the high school girl to the organized study of homemaking—its problems and ideals. To create an expertly made wardrobe or prepare a delicious meal is "easy as pie" to the girls connected with this department. By developing the skills and good taste in homemaking they are ready to assume their responsibilities in the title "homemakers of tomorrow."

A stitch in time ...

Commercial Department

This world of ours has grown into a great world of commerce. If a student wishes to have commercial training he can choose from a wide array of courses including bookkeeping, typing, shorthand, and business training, since the first time commercial education was introduced into the United States in 1750, it has progressed a long way.

Drafting

Every young man does not desire a profession. Realizing this, the curriculum at Calumet includes a technical department comprised of classes in drafting, wood shop, and print shop. Through these courses the department develops within individuals a fundamental knowledge of the techniques of these trades. In drafting classes, students learn to understand the terminology and symbolism of blueprints as well as acquire elementary drafting skills. Wood shop students learn to use their hands and as part of their training, construct a piece of furniture. Print shop courses teach students how to set up type and the principles behind the process of printing.

Printing students Johnny Holmes and Robert Denton explore the many facets of offset lithography.

MRS. ANET
ELGAN
Co- Gym

Headed by Miss Betty Marse and Mr. Ted Zayner the Calumet gym department stresses physical fitness, athletic participation, fairness in play, and sportsmanship. In spring each year, dexterity tests are given to both boys and girls. Students in the gym classes participated in volleyball, baseball, and basketball throughout the year.

Gym Departments Stress Physical Fitness

The gym department can't guarantee a "clean bill of health" but it can provide attractive and tempting equipment for enjoyment as well as physical fitness. The physical education department also offers a well organized program of optional after school activities which is open to all with plenty of initiative. Here they find fun in healthy sports and can participate in volleyball, basketball and many more.

Language Department

Calmet offers Spanish, German, and Latin to its students. Through these languages, Calmet appreciates another language and culture, and sometimes to communicate effectively in a foreign tongue. Not only do the students learn the language of another country, but they also learn about foreign customs, dances, and culture. Language talent may take advantage of the tapes and records that are available.

German and Spanish classes in Calmet

Calumet's Social Science World

The study of the social science is more than just the memorization of dates or the learning of names. It is the study of man, his environment, and his adaptation to that environment from his prehistoric beginnings to his present day status.

The social studies curriculum at Calumet added Anthropology. Beginning with early man and continuing through the emergence of civilization, students study selective civilizations in depth through discussions of artifacts. In this way, students learn about man, his physical characteristics, mental capabilities and emotional needs. By tracing the evolutionary man, students compare modern and ancient societies. Throughout the course, students are given few answers, but are presented with evidence from which he can draw his own conclusions. In this course, students attempt to understand what man is.

Science

The fields of science at Calumet are geared to give the students a cultural background for the appreciation of the contributions of men like Galileo and Newton. They also aim to develop within the student an understanding of the principles of science and its part in our contemporary society.

The science department played an integral part in forming the scientific foundations of Calumet students whether or not their ultimate goals hinge on the principles of science.

Art Department

Man is a maker of many things and he makes them for many purposes. Art instructors present students with interesting art topics and also try to encourage students to continue further into their studies in art. Among the extra art courses which can be taken are Advertising Art, Figure Drawing and History of Art. A minor credit is given for each of these. As a final reward, art projects might be exhibited in art fairs. This is a reward for a job well done.

Class History

It was just four years ago that we the June graduates, walked bewilderedly into Calumet High School. Now four years later we leave more mature young men and women.

We'll never forget those memories of our Freshman year, when our Fighting Indians took the city championship in baseball.

Our Sophomore year brought us Oscar Brown Jr. to the stage to entertain us. That same year, the teachers proved to have more than just classroom talents.

Time moved on and we became Juniors. This year gained us respect from our underclassmen as we received Class Rings. Ramsey Lewis and his jazz trio appeared on stage for our Cal students, and the performance was enjoyed by all.

As Seniors, waiting for prom, graduation, and future plans, it is evident that our Senior year was truly the best of the four. Seeing our last pep assembly, football, basketball, and baseball games brought back poignant memories of our last four years at Cal.

"GOODBYE CALUMET, WE'LL NEVER FORGET YOU"

Our institution is a place of learning
Student spirit is always burning
Homecomings, sock hops, talent shows, proms
Excitement, amusement, enchantment,
That's our Calumet, our paradise.

**“Sensitive Calumet
Responds
To Action”**

— Organizations and Activities —

The Election Commissioner and the Mascot approach to crown the queen.

The queen is about to be named.

Miss Cheryl Roberts Homecoming Queen

The purpose of the Crier can be summed up in two words: "What's Happening." Page one presents general news of the school which may include stories of outstanding teachers, students, and events. Page two is for newsmaking and student contributions. Student poems, essays, and reviews will be found in Page two. Let Wit Column with fascinating editorials and editorial cartoons. Page three is the feature page in which staff magazines can go wild. News is presented in pictures as well as serious features like "Who's Your Parfait Maker?" And page four gives a day-by-day account in stories and photos of Calumet's numerous and exciting teams. The Crier is the name and news the ringer game. Hercules A.

Informs the Students

Cynthia Teague, Kevin Sullivan, Calvin Birdsong are checking things over.

NATIONAL HONOR SOCIETY

The highest honor at Calumet to achieve is becoming a member of the National Honor Society. The top 10 per cent of the Senior Class are chosen. Under the auspices of Mrs. Farrar, sponsor of the organization, the students are inducted on the basis of character, scholarship, leadership, and service.

National Honor members have the honor of sitting on stage for graduation ceremonies and receiving a gold tasse.

OFFICERS: Michael Rak, Sharon Brown, Charlotte Vann, Glenn Ford

OFFICERS: Ambra Bryant, Vera Carro, Gary Johnson, Marla DeLuca

JUNIOR HONOR SOCIETY

The Junior Honor Society is one step before possibly becoming a N.H.S. member.

The qualifications for J.H.S. include maintaining a 'B' average at the end of the school year, accumulating service points by helping at Cal through various activities, and by receiving at least average on final rating.

Under the sponsorship of Mrs. Harris induction ceremonies are held annually and those who have been a member for two years or four successive semesters receive honor pins.

Cooperative Work Training is a state approved work study program offered to Calumet High School students. The student enrolled in C. W. T. attends school one-half of each school day to take subjects required for graduation, including one period of instruction related to his employment. The remaining half of the day is spent training at a local service establishment or industry.

A C.W.T. student earns two units of major credit per year. These are elective credits that count towards graduation and form a sequence similar to a shop or business sequence. Cooperative Work Training offers a student the opportunity to earn while he learns and has proven to be a valuable asset to many Calumet graduates.

Meet the Temulac

Barbara Elmore, Randy Twilley, Karen James, Ronald Parker, Joann Randa

We are the Temulac Staff and we are busy most of the school year trying to preserve the many memories for your enjoyment in the future.

Every member is expected to devote as much time as possible to make sure the year book staff is functioning properly.

This year several section editors have struggled to meet the deadlines under the sponsorship of Mr. Claude Farmer. Mr. Farmer has been considerably patient with us and most cooperative.

We the 1968 Temulac staff have tried to produce a bigger and better issue of your annual. We invite you to turn these pages to determine whether or not we have reached our objective.

Under the supervision of Senior Military Instructor SFC Davis R. Niles and Asst. Senior Military Instructor MSG McDavd the Calumet High School ROTC has made an overwhelming amount of progress this year.

The ROTC is under the leadership of the BN Commander, who is CDT, Lt. Col. Gen Edwards, and the BN Executive Officer Co. Ma'o George Tucker.

The R.O.T.C. Department participated in the Drill Competition on November 28, 1967. CDT Capt. Alan Clark won 1st place as the best individual "Cadet that Drilled" in our section.

On February 23, the R.O.T.C. Department had its Military Ball at the Rosewood Inn.

Due to the enormous amount of administrative work in the unit girl sponsors help some of the officers keep the necessary records in order. The sponsors for this year are LTC Ga Robinson, Major Deoria Savage and Shirley Boyett.

Varsity Football

The 1968 Varsity football season will be remembered as the one in which school and team spirit soared to its highest level and plunged to a low ebb. The opening game with Kelly could have been an omen of the forthcoming season that the Indians would have. In their first away game Hirsch defeated Calumet by a score of 19 (Hirsch) to 14 (Cal.) The fighting Indians were able to redeem themselves at the next away game against Harlan. As the season prospered Calumet followed a pattern of winning a game and then losing. The team was probably at its best when it defeated Phillips, 12 (Cal.) to 7 (Phil.) In our homecoming game we showed everyone where Calumet stood and what Calumet could do. For all the Calumet Football team, 1967 was an exceptional year as far as team and records are concerned. Thanks to coaches Ted Zayner and Jerry McGuire.

Calumet...	31	Kelly	0
Caumet	14	Hersch	19
Caumet	9	Harlan	13
Calumet	0	Englewood	13
Caumet	26	Bowen	6
Calumet	7	Dusable	14
Caumet	2	Phillips	7

Calumbe's defense is strong so strong that Philip's could not resist it

Oach-e-te is the boys what to do

and Riche's name is a good enough for a good win

Rodney Jackson and Lance Madison stop the enemy.

Working behind the scenes of any athletic event can be found Mr. Zayner, football coach. For 18 years Mr. Zayner has directed the fighting Indians.

Phillips feels the wrath of the fighting Indians.

Swimming

In its second attempt to have a team, Calumet was unable to have a registered swimming team this year. Although they worked hard and would have had the best team in the city, Calumet never got a chance to prove itself

Top Row: Coach: re Green, Gene Banks, Mgr., H. Washington, O. Worill, A. Thompson, R. Rush, C. Spenser, J. Hall, D. Wilson, A. Barker, M. Nickels, C. Cape and S. Ratcliffe Mgr. Bottom Row: Mgr. R. Lewis, D. Leftwich, Capt. Rodney Jackson, J. Purdue, Mgr. J. Sanders

Varsity Basketball

The golden crowned varsity basketball team for 1968 has achieved the highest goal that Calumet could have attained this year. "The Blue Division's Championship." Our congratulations to the team and especially to our center: Charles Spenser; our guard: Jerome Purdue at half season. At the beginning of the year the Basketball team got off to a bad start, but when time came around for our league games Calumet played like a team. At half season Jerome Purdue came in and offered tremendous aid in winning our game against Simeon. He stuck with Wilbur Stroud like we stuck with the determination to win. Calumet deserved the Blue Division Championship and now they are on to the Red Division.

Wrestling

The varsity wrestling squad, coached by Mr. Lewis completed one of its most successful seasons this year. This time Calumet won more meets than they lost. Calumet's wrestling teams credit goes to Mr. Lewis for a job well-done in the season. Three boys from our team have only lost 1 time a piece. They are Ronald Bridges, Cary Christmas and Steve Bridge. Wrestling has always been on the top although it has frequently gone un-noticed by the people of the school.

Calumet defeated Morgan Park 34-18
Calumet lost to Fenger Titans 36-18
Calumet defeated Bogan 28-23
Calumet defeated Hirsch 27-25
Calumet defeated Washington 33-17
Calumet lost to C.V.S. 31-9

Baseball

Wet grounds failed to dampen the Calumet Indians' spirit as spring baseball practice got underway March 11. The weather refused to cooperate with Coach Ron Crabbe and as the month of March came to a close, snow clouds hovered over Foster Park and ushered in April showers. Consequently the first week of practice game was cancelled because of rain.

Last year's team may have been a bit more experienced, but this year with 8 members returning, talent and experience plus spirit and hustle should equal a successful 1968 season.

Sense of Importance

Forrest Tucker

Sammy Davis Jr

Famous stars of the theater and the entertainment world have brought excitement and joy.

These stars coming to Cal was a memorable experience for the students.

Front Row: Cynthia Jenkins, Dena Giannakopoulos, Debbie Brown, Vera Carr

Cheerleaders!

Lori Farrow, Pam Owens, Carla Edwards, Mariano Poind

Traditional Senior Pyramid

Cal's Cheerleaders play an important role at the football, basketball, and baseball games.

Each spring under the sponsorship of Mrs. Nobel, all interested girls with a "B" average and who meets other requirements may try out for the squad.

It's the ambition of many girls with pep to wear the familiar uniforms of the cheerleaders. Each girl deserves a round of cheers for her hard work and school spirit.

This year the squad was led by Debbie Brown as captain and Pat Wagner as co-captain.

A Sense of Skill — Leaders

Charla Draper, Joann Rando, Marcia Hicks, Thea Barnes, Sandra Moore, L. Farrow, Rita Harrison, Romalisa Askew, Elaine Agosto, Cheryl Roberts, Pam Owens, Veronica Prather, Vadenia Alexander

Maroon shorts and white blouses serve as the trademark of the gym department—the Leaders. Under the sponsorship of Mrs. Betty Morse, these peppy girls assist in one gym class a day, refereeing games, and helping to take care of the equipment.

Every Tuesday, the Leaders meet in order to improve themselves in such things as playing ability and refereeing games. At the end of the semester, these girls celebrate their hard work with a farewell party for the graduating Leaders.

A Sense of Pride — Awards

Rita Harrison, Charla Draper, Vera Carroll, Denise Barnes, Thera Barnes

Receiving a G.A.A. Award is the highest achievement a girl can obtain. Sports are a major portion of her award, but posture, scholarship and service also enter into the final decision. Activities carried on outside of school play an important role, too.

The first award a girl can obtain is the 500 point award. After earning the 500 points an additional 500 points are needed for the Letter. After the Letter each additional 500 points denotes a Chevron.

These 10 peppy girls are called the Calumet Drill Team. They add pep and enthusiasm to Cal's halftimes and help the cheerleaders to create school spirit. Under the sponsorship of Mrs. E. Noble these girls deserve a big thanks!

* * * * *

Aside from the Varsity Cheerleaders, and Drill Team, the Frosh-Soph Cheerleaders add pep and spirit to all of Cal's Frosh-Soph games. These girls work hard and represent Cal's Underclassmen well. A well deserved thanks goes to them
